Sunsets.
Trouble.
Twilight.
Full moons.
No really—they're everybody's.
We're all drenched in
layers of memories.
Massive archive, what we forget.
Let it filter, hover, drift.
Every pocket, satchel, hand.
We forgot to make a reservation.
But there's room.

Naomi Shihab Nye's most recent books are *Famous* (Wings Press) and *The Turtle of Oman* (Greenwillow).
